## Directions to Maile

Drive north on Highway 19 (with the ocean on your left.) Continue until you reach the stop sign at the "T" intersection where Highway 19 continues right up the hill to Waimea. Turn left and follow the sign to Kawaihae (Route 270.)

After the distance of approximately one mile, turn left into the main entrance to KAWAIHAE HARBOR/Port of Kawaihae, which is a working commercial port. You will enter the big green gates here. If you pass the Harbor Grill on your right, or reach the canoe club at the end of the road, you have gone too far. Turn around and backtrack to the harbor entrance.

At the entrance, the driver may be asked to show identification. From there, turn left and proceed to the end of the road. Turn right at the stop sign, and then right immediately again onto a small dirt road. At this point you will see Maile on the small pier. You will have just driven in a "U" around the Matson container yard.

On Fridays only, you will turn into the harbor through an earlier green gate at the bottom of the hill, which is only opened for traffic on this day.
